ACECORE POWERCORE APP

Terms of Service

Effective Date: September 10, 2026
Last Updated: September 10, 2026

Welcome to the Acecore mobile application (the "Powercore App"), operated by Acecore Incorporations ("Company," "we," "us," or "our"). By downloading, installing, accessing, or using the App in any manner, you agree to be legally bound by these Terms of Service ("Terms") and all policies incorporated herein by reference. IF YOU DO NOT AGREE TO THESE TERMS IN THEIR ENTIRETY, YOU MUST IMMEDIATELY CEASE ALL USE OF THE APP AND DELETE IT FROM YOUR DEVICE.

1. Acceptance & Eligibility

1.1 Agreement to Terms

By creating an account, tapping "Agree," or using any part of the App, you confirm that you have read, understood, and irrevocably agreed to these Terms, our Privacy Policy, and any additional guidelines or policies posted within the App. These Terms constitute a legally binding agreement between you and Acecore Incorporations.

1.2 Eligibility

You must be at least 18 years old, or the age of legal majority in your jurisdiction, to register an account or use our Services. By using the App, you represent and warrant that you meet this requirement. We reserve the right to suspend or terminate accounts found to violate this requirement without notice or liability.

1.3 Business Use

If you are accessing the App on behalf of a company, organization, or other legal entity, you represent that you have full authority to bind that entity to these Terms. In that case, "you" and "your" refer to that entity, and the individual accepting these Terms personally guarantees the entity's compliance.

2. Description of Services

The Acecore Powercore App provides digital services including but not limited to: energy management dashboards, real-time power systems monitoring, battery status and health tracking, solar performance analytics, system alerts, firmware update management, and related clean-energy product integrations ("Services"). The App functions in conjunction with Acecore Powercell hardware products manufactured and supplied by Acecore Incorporations.

We reserve the right to modify, update, suspend, or permanently discontinue any feature or aspect of the App or Services at any time and without prior notice. We shall have no liability to you or any third party for any such modification, suspension, or discontinuation.

3. Standards Organisation of Nigeria (SON) Compliance & Regulatory Disclosures

3.1 SON Certification

Acecore Incorporations operates in compliance with the Standards Organisation of Nigeria Act 2015 and applicable product standards enforced by SON. All Acecore Powercell hardware products associated with this App are subject to mandatory SON conformity assessment and certification requirements before placement on the Nigerian market.

The App serves as a digital interface to SON-compliant hardware. Users are advised that:

- Only SON-certified Acecore Powercell hardware units are supported and covered under any applicable warranty or liability provisions.
- The use of counterfeit, uncertified, or unauthorized third-party hardware in conjunction with this App is strictly prohibited and voids all warranties and indemnities.
- Acecore Incorporations is not responsible for any harm, loss, or damage arising from the use of non-SON-certified hardware connected to or controlled through this App.

3.2 Product Standards Adherence

Acecore Powercell hardware products are designed and tested to meet applicable Nigerian Industrial Standards (NIS) as published by SON, including standards governing electrical safety, energy storage systems, inverter-chargers, and solar charge controllers. Current applicable standards include but are not limited to standards under the NIS/IEC frameworks for power conversion equipment and battery management systems.

Users must not modify, tamper with, or bypass any hardware feature that is integral to SON standard compliance. Unauthorized modifications may render the product non-compliant and create safety hazards for which Acecore Incorporations bears no liability.

3.3 SON & Regulatory Authority Inspections

Acecore Incorporations reserves the right to cooperate fully with SON, the National Electrical Regulatory Commission (NERC), or any other regulatory authority that exercises jurisdiction over our products or services. In the event of a regulatory audit, inspection, or recall, we may contact affected users through the App or by their registered contact details.

3.4 User Obligations for Regulatory Compliance

As a user, you agree to:

- Use Acecore Powercell hardware only within the operational parameters and environment specified in the accompanying product documentation and installation manuals.
- Promptly report any product defect, safety incident, or malfunction to Acecore Incorporations at support@acecore.tech, in accordance with SON's product safety and post-market surveillance obligations.
- Not tamper with, remove, deface, or obscure any SON certification mark, serial number, or compliance label affixed to any Acecore Powercell hardware unit.
- Comply with all applicable electrical installation regulations and standards in your state or local government area when installing or operating Acecore Powercell hardware.

4. Account Registration & Security

To access certain features of the App, you must register for an account. You agree to:

- Provide accurate, current, and complete information during registration and promptly update it if it changes.
- Maintain the confidentiality of your login credentials and not share them with any third party.
- Accept full responsibility for all activities that occur under your account, whether or not authorized by you.
- Notify us immediately at support@acecore.tech or any unauthorized use of your account or any actual or suspected security breach.
- Log out of your account at the end of each session, especially on shared or public devices.

We reserve the right to disable any user account at any time, with or without notice, for any reason, including if we reasonably believe that account security has been compromised or that you have violated these Terms.

5. Hardware Connectivity, Compatibility & Safety

5.1 Supported Hardware

The App is designed to operate exclusively with Acecore Powercell hardware that carries valid SON certification and is supplied through authorized Acecore distribution channels. Use with unsupported, counterfeit, or third-party hardware is at the user's sole risk.

5.2 Limitation of Hardware Liability

Acecore Incorporations is not responsible for:

- Hardware malfunctions, physical defects, or electrical failures arising from improper third party installation, misuse, or user modification.
- Data inaccuracies, telemetry errors, or incomplete readings resulting from weak signals, interference, power surges, or network instability.
- Damage to property, equipment, connected appliances, or persons arising from improper use, unauthorized installation, or alteration of connected hardware.
- Loss of stored energy, data, or connectivity resulting from firmware updates applied through the App.
- Consequential damage to the electrical installation or premises wiring arising from hardware misuse.

5.3 Electrical Safety Advisory

Acecore Powercell hardware involves high-voltage electrical systems. Installation must be performed by a qualified and licensed electrician in accordance with the Nigerian Electrical Code and applicable state regulations. Acecore Incorporations expressly disclaims all liability for personal injury, death, or property damage resulting from improper, unlicensed, or non-compliant installation.

5.4 Unauthorized Modifications

Any unauthorized modification, rooting, jailbreaking, or tampering with the App or connected hardware: (a) voids all applicable warranties; (b) renders associated SON certification void; (c) releases the Company from all liability arising from such actions; and (d) may constitute an offence under the SON Act 2015 and the Cybercrimes (Prohibition, Prevention, Etc.) Act 2015. We reserve the right to immediately terminate your App access if such modifications are detected.

6. Intellectual Property Rights

All content, software, source code, object code, firmware, designs, graphics, trademarks, service marks, trade dress, logos, and features of the App and Services are the exclusive property of Acecore Incorporations and/or its licensors, protected under the Nigerian Copyright Act 2022, Trademarks Act (Cap T13 LFN 2004), Patents and Designs Act (Cap P2 LFN 2004), and applicable international intellectual property laws and treaties, including the Berne Convention and the TRIPS Agreement.

Subject to your compliance with these Terms, we grant you a limited, non-exclusive, non-transferable, non-sublicensable, revocable license to access and use the App on a personal device you own or control, solely for your personal or internal business use in connection with Acecore Powercell hardware. No ownership rights are transferred to you under any circumstances.

You expressly agree not to: (a) copy, reproduce, or redistribute any portion of the App; (b) reverse engineer, decompile, disassemble, or attempt to derive the source code or firmware; (c) create derivative works based on the App; (d) use our trademarks, trade name, or branding without prior written permission; or (e) remove, obscure, or alter any copyright, trademark, or proprietary notices embedded in the App.

7. User Conduct & Prohibited Activities

You agree to use the App only for lawful purposes and in a manner that does not infringe the rights of others or compromise public safety. The following activities are strictly prohibited:

- Using the App for any purpose that violates applicable Nigerian laws, regulations, regulatory standards, or international law.
- Attempting to gain unauthorized access to our servers, databases, connected hardware, or other users' accounts.
- Transmitting, uploading, or distributing viruses, malware, ransomware, spyware, or any other destructive or malicious code.
- Decompiling, reverse engineering, or otherwise tampering with the App's firmware, software, or backend infrastructure.
- Using automated bots, scrapers, crawlers, or tools to access, monitor, copy, or extract data from the App without authorization.
- Engaging in any activity that overloads, disables, or impairs the App's servers or network infrastructure.
- Misrepresenting your identity or impersonating any person, company, or entity.
- Submitting false, misleading, or fraudulent information to the Company or to regulatory authorities.
- Using the App in any way that creates a safety hazard or risk of damage to property or persons, including in relation to electrical systems.
- Circumventing or disabling any safety, security, or regulatory compliance feature of the App or connected hardware.

Violation of these provisions may result in immediate suspension or permanent termination of your account and may be reported to relevant law enforcement and regulatory authorities, including SON and the Nigeria Police Force.

8. Disclaimers & Limitation of Liability

8.1 Disclaimer of Warranties

TO THE FULLEST EXTENT PERMITTED BY NIGERIAN LAW AND ANY OTHER APPLICABLE JURISDICTION, THE APP AND ALL SERVICES ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS, WITHOUT ANY WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO: IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, ACCURACY, OR NON-INFRINGEMENT.

WE DO NOT WARRANT THAT: (A) THE APP WILL BE UNINTERRUPTED, ERROR-FREE, OR SECURE; (B) ANY DEFECTS WILL BE CORRECTED; (C) THE APP OR SERVERS ARE FREE OF VIRUSES OR HARMFUL COMPONENTS; OR (D) THE INFORMATION DISPLAYED IN THE APP, INCLUDING TELEMETRY AND ENERGY DATA, IS ACCURATE, COMPLETE, OR UP-TO-DATE AT ALL TIMES.

8.2 Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, ACECORE INCORPORATIONS, ITS DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, PARTNERS, DISTRIBUTORS, AND LICENSORS SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES, INCLUDING BUT NOT LIMITED TO:

- Loss of profits, revenue, data, goodwill, contracts, or business opportunities.
- Personal injury or property damage, including electrical damage, power surges, fire, or equipment failure arising from improper use or installation.
- Power outages, grid instability, or loss of stored energy resulting from hardware or software malfunction.
- Unauthorized access to or alteration of your account, hardware, or connected electrical systems.
- Errors or inaccuracies in power readings, battery status, solar yield, or energy reports.
- Regulatory non-compliance arising from user-side modifications or unauthorized use.

IN JURISDICTIONS THAT DO NOT ALLOW THE EXCLUSION OR LIMITATION OF CERTAIN DAMAGES, OUR LIABILITY SHALL BE LIMITED TO THE MAXIMUM EXTENT PERMITTED BY LAW. IN NO EVENT SHALL OUR TOTAL AGGREGATE LIABILITY TO YOU EXCEED THE GREATER OF: (A) THE AMOUNT YOU PAID TO ACECORE INCORPORATIONS IN THE TWELVE (12) MONTHS PRECEDING THE CLAIM; OR (B) FIFTY THOUSAND NAIRA (NGN 50,000).

8.3 Force Majeure

The Company shall not be liable for any failure or delay in the performance of its obligations resulting from causes beyond our reasonable control, including: acts of God, natural disasters, government actions or restrictions, power grid failures, nationwide network outages, cyberattacks by third parties, civil unrest, pandemics, strikes, or any other event outside our reasonable control ("Force Majeure Event"). We will use commercially reasonable efforts to resume performance as soon as practicable following a Force Majeure Event.

9. Indemnification

You agree to indemnify, defend, and hold harmless Acecore Incorporations, its affiliates, officers, directors, employees, contractors, agents, licensors, distributors, and successors from and against any and all claims, liabilities, damages, losses, fines, regulatory penalties, costs, and expenses (including reasonable legal fees and any penalties imposed by SON or other regulatory authorities) arising out of or in any way connected to:

- Your access to, use, or misuse of the App or Services.
- Your violation of any provision of these Terms or any applicable law or regulation.
- Your violation of any third-party rights, including intellectual property rights.
- Any content you submit, post, or transmit through the App.
- Any unauthorized modification, tampering, or improper installation of connected hardware.
- Any regulatory non-compliance or enforcement action arising from your use or misuse of Acecore Powercell products.

10. Third-Party Services & Links

The App may integrate with or contain links to third-party services, websites, or applications (including cloud providers, mapping services, payment processors, or analytics platforms). We have no control over and assume no responsibility for the content, privacy practices, or availability of any third-party services. Your interactions with third-party services are governed solely by their respective terms and policies. We strongly encourage you to review those policies before use.

11. App Store Terms

You acknowledge that these Terms are between you and Acecore Incorporations only, and not with Apple Inc. or Google LLC (or their respective affiliates). Apple and Google have no obligation whatsoever to furnish maintenance or support services for the App. In the event that the App fails to conform to any applicable warranty, you may notify Apple or Google, and they will refund the applicable purchase price (if any) to you. Apple and Google are third-party beneficiaries of these Terms and, upon your acceptance, will have the right to enforce these Terms as third-party beneficiaries thereof.

12. Updates & Modifications to Terms

We reserve the right to modify these Terms at any time to reflect changes in our services, business practices, applicable law (including SON standards updates), or regulatory requirements. Where changes are material, we will provide notice via the App or by email to your registered address at least fourteen (14) days before the changes take effect. Your continued use of the App after the effective date of any revision constitutes your unconditional acceptance of the updated Terms. If you do not agree to the revised Terms, you must discontinue use of the App immediately.

13. Termination

We reserve the right to suspend, restrict, or terminate your account and access to the App at our sole and absolute discretion, at any time, without notice or liability, for any conduct that we believe:

(a) violates these Terms or applicable law;

(b) is harmful to other users, the Company, or third parties;

(c) poses a safety or regulatory compliance risk; or

(d) is inconsistent with SON standards or public safety obligations.

Upon termination for any reason, all licenses granted to you will immediately cease, and you must uninstall and delete all copies of the App from your devices. Termination does not limit any other rights or remedies available to the Company.

The following provisions survive termination: Sections 6 (Intellectual Property), 8 (Disclaimers & Limitation of Liability), 9 (Indemnification), 14 (Governing Law & Dispute Resolution), and 15 (General Provisions).

14. Governing Law & Dispute Resolution

14.1 Governing Law

These Terms shall be governed by, construed, and enforced exclusively in accordance with the laws of the Federal Republic of Nigeria, including but not limited to the Nigerian Copyright Act 2022, the SON Act 2015, the Consumer Protection Council Act, the Federal Competition and Consumer Protection Act (FCCPA) 2018, and the Cybercrimes (Prohibition, Prevention, Etc.) Act 2015, without regard to conflict of law principles.

14.2 Structured Dispute Resolution

Any dispute, controversy, or claim arising out of or relating to these Terms, or the breach, termination, or validity thereof, shall be resolved through the following mandatory escalation process:

- Step 1: Good-Faith Negotiation: The disputing party shall serve written notice of the dispute on the other party. The parties shall attempt to resolve the dispute through good-faith negotiations for a period of thirty (30) calendar days from the date of notice.
- Step 2: Mediation/Arbitration: If unresolved after Step 1, the dispute shall be referred to binding arbitration under the Arbitration and Mediation Act 2023 of Nigeria, administered in Lagos State, Nigeria, conducted in the English language, by a single arbitrator mutually agreed upon by the parties (or appointed by the Lagos Court of Arbitration if the parties cannot agree).
- Step 3: Courts: If arbitration is inapplicable under the Act or fails to produce a resolution, the parties irrevocably submit to the exclusive jurisdiction of the Federal High Court of Nigeria or the High Court of Lagos State, at the Company's election.

14.3 Class Action Waiver

YOU AND ACECORE INCORPORATIONS AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN AN INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, COLLECTIVE, OR REPRESENTATIVE ACTION OR PROCEEDING. No arbitrator or court may consolidate more than one person's claims or otherwise preside over any form of class or representative proceeding without the written consent of all parties.

14.4 Regulatory Authority Rights

Nothing in this Section limits or waives the rights of any Nigerian regulatory authority, including SON, NERC, or the Federal Competition and Consumer Protection Commission (FCCPC), to initiate, investigate, or pursue enforcement proceedings independently of any dispute between the parties.

15. General Provisions

15.1 Entire Agreement

These Terms, together with our Privacy Policy and any other policies or guidelines incorporated by reference, constitute the entire and exclusive agreement between you and Acecore Incorporations regarding the App and supersede all prior or contemporaneous agreements, representations, warranties, and understandings, whether written or oral.

15.2 Severability

If any provision of these Terms is found to be invalid, illegal, or unenforceable by a court of competent jurisdiction, that provision shall be modified to the minimum extent necessary to make it enforceable, and the remaining provisions shall continue in full force and effect.

15.3 No Waiver

Our failure to enforce any right or provision of these Terms at any time shall not constitute a waiver of that right or provision. A waiver of any specific breach shall not be deemed a waiver of any subsequent breach of the same or any other provision.

15.4 Assignment

You may not assign, transfer, delegate, or sublicense any of your rights or obligations under these Terms without our prior written consent. Any purported assignment in violation of this Section is null and void. We may freely assign our rights and obligations under these Terms, including in connection with a merger, acquisition, or sale of assets, without restriction.

15.5 Notices

All legal notices to you will be delivered via the App, by email to your registered address, or by registered post. All legal notices to Acecore Incorporations must be sent in writing to: support@acecore.tech, or by registered post to our address at Obigbo, Rivers State, Nigeria. Notices are deemed effective upon delivery.

15.6 Language

These Terms are drafted and executed in the English language. In the event of any conflict between an English version and any translation, the English version shall prevail.

16. Contact Us

For questions, concerns, or legal correspondence regarding these Terms:

- Email: support@acecore.tech
- Address: Obigbo, Rivers State, Nigeria
- Response time: We endeavour to respond to all legal enquiries within 5 business days.

ACECORE POWERCORE

Mobile Application

Privacy Policy

Effective Date: September 10, 2026 | Last Updated: September 10, 2026

Acecore Incorporations ("we," "us," or "our") is committed to protecting the privacy and security of your personal data. This Privacy Policy explains how we collect, use, store, share, and safeguard your information when you use the Acecore Powercore mobile application ("App") and related services ("Services").

This Policy complies with the Nigeria Data Protection Act (NDPA) 2023, the Nigeria Data Protection Regulation (NDPR), the Standards Organisation of Nigeria Act 2015 (in respect of product-related data obligations), and the data privacy requirements of the Google Play Store and Apple App Store. By using the App, you consent to the data practices described in this Policy.

1. Information We Collect

1.1 Information You Provide Directly

- Identity & Contact Data: Full name, email address, phone number, and billing or physical address.
- Account Credentials: Username and encrypted password.
- Business Details: Company name, business address, and contact person (for business accounts).
- Communications: Messages, enquiries, complaints, or feedback you submit via in-app support or email.

1.2 Device & Hardware Telemetry Data (Collected Automatically)

To deliver core App functionality and to meet post-market surveillance obligations under the SON Act 2015, we collect:

- Hardware telemetry: Battery state of charge (SoC), voltage levels, current draw, cell temperatures, energy consumption and generation logs, charge/discharge cycle counts, fault codes, and hardware serial numbers and firmware version identifiers.
- App diagnostics: Crash logs, error reports, session duration, feature usage frequency, and App performance metrics.
- Device information: Device model, operating system version, unique device identifiers (where applicable), IP address, mobile network operator, and time zone.
- Location data: Approximate or precise GPS location, collected only where required by Android or iOS platform requirements to enable Bluetooth Low Energy (BLE) or Wi-Fi device discovery and pairing. Location data is not used for advertising purposes.

1.3 Usage Data

- Log data including App pages visited, features accessed, time and date of use, and session length.
- Notification interaction data (opened, dismissed, actioned).
- Communication preferences and alert configuration settings.

1.4 SON Product Compliance Data

In furtherance of Acecore Incorporations' obligations under the SON Act 2015 and post-market surveillance requirements, we may collect and process:

- Product registration data: SON-certified hardware unit serial numbers registered to your account.
- Incident and defect reports: Data submitted by you in relation to any hardware defect, fault, or safety incident, as required under SON's product safety reporting framework.
- Firmware and update compliance records: Records of firmware versions applied to your hardware units through the App.

This data may be shared with SON or other regulatory authorities where required by law or in connection with a product safety investigation or recall.

1.5 Data from Third Parties

We may receive information about you from third-party analytics providers, cloud infrastructure partners, firmware update service providers, or distribution partners that we engage to support the App's functionality. All such third parties are subject to contractual data protection obligations.

2. Legal Basis for Processing (NDPA 2023)

We process your personal data on the following legal bases under the NDPA 2023:

- Consent: Where you have given explicit, informed, and freely given consent for specific processing activities (e.g., location tracking, marketing communications). You may withdraw consent at any time.
- Performance of a Contract: Processing necessary to provide the App's Services, manage your account, deliver hardware integration features, and process firmware updates.
- Legal Obligation: Compliance with applicable Nigerian law, including the SON Act 2015 (product compliance and post-market surveillance), NDPA 2023 (data breach notification), and other regulatory obligations.
- Legitimate Interests: Analytics, fraud prevention, security monitoring, product improvement, and post-market safety surveillance, where these interests are not overridden by your fundamental rights.

Where we rely on consent, you have the right to withdraw it at any time without affecting the lawfulness of processing carried out prior to withdrawal.

3. How We Use Your Data

We use your personal data to:

- Create, manage, authenticate, and secure your account.
- Display and analyze real-time power performance, battery health, and energy analytics.
- Send critical system alerts (e.g., overload, low battery, thermal fault, grid anomaly), firmware update notifications, and service communications.
- Discharge post-market surveillance obligations under the SON Act 2015, including monitoring for product defects, safety incidents, and firmware compliance.
- Register hardware serial numbers and track warranty status.
- Provide customer support, technical assistance, and respond to user enquiries.
- Investigate and prevent fraud, unauthorized access, and policy violations.
- Improve the App, debug technical issues, and conduct internal research and development.
- Comply with legal and regulatory obligations and enforce our Terms of Service.

- Send marketing and promotional communications (only with your explicit consent; you may opt out at any time via App settings or by emailing support@acecore.tech).

4. SON Regulatory Data Obligations

As a manufacturer of electrical products subject to SON regulatory oversight, Acecore Incorporations may be required to:

- Submit product performance and defect data to SON as part of mandatory post-market surveillance reporting.
- Provide product identification and registration data (including user hardware serial numbers) to SON in the event of a product safety investigation, market surveillance exercise, or product recall.
- Retain hardware telemetry and incident records for a minimum of five (5) years in accordance with SON product safety documentation requirements.

Any sharing of your data with SON or other regulatory authorities will be limited to the minimum information required to fulfil the applicable regulatory obligation. We will notify you of any such disclosure to the extent permitted by law.

5. Data Sharing & Third-Party Disclosure

We do not sell, rent, or trade your personal data to any third party for commercial purposes. We may share your data only in the following limited and lawful circumstances:

- Service Providers: Trusted and contractually bound third parties engaged to operate, maintain, or support the App (e.g., cloud hosting providers, analytics platforms, customer support software). These parties are permitted to process data only on our documented instructions.
- Regulatory & Legal Authorities: Where required by Nigerian law, a court order, regulatory direction from SON, NERC, the NDPC, or other competent authority, or to protect the safety, legal rights, or property of the Company or users.
- SON & Product Safety Authorities: As described in Section 4 above.
- Business Transfers: In the event of a merger, acquisition, asset sale, or corporate restructuring, your data may be transferred to the successor entity, subject to the equivalent protections as set out in this Policy.
- With Your Consent: For any other disclosure purpose where you have given prior explicit written consent.

We require all third-party recipients to maintain appropriate technical and organizational security measures and to process your personal data only for the specified lawful purpose.

6. Cookies & Tracking Technologies

The App may use cookies, local storage, device identifiers, SDK analytics libraries, and similar tracking technologies to enhance functionality, remember your preferences, analyze usage patterns, and improve the App. You may manage tracking preferences through your device settings or the App's privacy settings menu. Disabling certain tracking technologies may limit some App functionality.

7. Data Retention & Deletion

7.1 Retention Periods

We retain your personal data for as long as your account is active or as necessary to provide the Services, fulfil regulatory obligations, resolve disputes, and enforce our agreements. Specific retention periods by category:

- Account and identity data: Retained for the duration of your account plus 2 years after account closure.
- Hardware telemetry and diagnostics: Retained for up to 5 years for analytics, warranty support, and SON post-market surveillance compliance.
- Incident and defect reports: Retained for a minimum of 5 years as required under SON product safety documentation obligations.
- Financial and transactional records: Retained for a minimum of 6 years as required under Nigerian financial regulations.
- Legal and compliance correspondence: Retained for a minimum of 6 years or as directed by applicable law.

7.2 Account & Data Deletion Requests

In compliance with the NDPA 2023, Google Play Store, and Apple App Store policies, you may request deletion of your account and associated personal data at any time:

- Within the App: Navigate to Settings > Account > Delete Account.
- By email: Send a request to support@acecore.tech with the subject line "Data Deletion Request," including your registered email address and hardware serial number(s).

We will verify your identity and action eligible deletion requests within 30 calendar days. Please note that we are required to retain certain categories of data (including SON compliance records, safety incident reports, and financial records) for the mandatory minimum periods described above, even after account deletion.

8. Your Rights Under the NDPA 2023

As a data subject under Nigerian law, you are entitled to exercise the following rights by contacting us at support@acecore.tech:

- Right of Access: Request a copy of all personal data we hold about you, including the categories, sources, and purposes of processing.
- Right to Rectification: Request correction or updating of inaccurate or incomplete personal data.
- Right to Erasure ("Right to be Forgotten"): Request deletion of your personal data, subject to our legal retention obligations.
- Right to Restriction of Processing: Request that we limit how we process your data in certain circumstances.
- Right to Object: Object to processing based on legitimate interests, including for direct marketing purposes.
- Right to Data Portability: Receive a copy of your personal data in a structured, commonly used, machine-readable format.
- Right to Withdraw Consent: Withdraw consent for processing activities based on consent at any time, without affecting prior lawful processing.
- Right to Lodge a Complaint: File a complaint at any time with the Nigeria Data Protection Commission (NDPC) at www.ndpc.gov.ng if you believe your data rights have been violated.

We will respond to all verified rights requests within 30 calendar days of receipt. We may request identity verification before processing any request. Where a request is complex or numerous, we may extend the response period by a further 30 days with written notice to you.

9. Data Security

We implement robust technical and organizational safeguards proportionate to the sensitivity of your personal data and the risks associated with its processing, including:

- Transport Layer Security (TLS 1.2 or higher) encryption for all personal data in transit between the App and our servers.
- AES-256 encryption for sensitive personal and telemetry data stored at rest.
- Multi-factor authentication (MFA) and role-based access controls for all internal systems handling personal data.
- Regular security audits, vulnerability assessments, and where appropriate, third-party penetration testing.
- Documented incident response procedures aligned with NDPA 2023 breach notification requirements.
- Data minimization principles: we collect only what is necessary for the stated purpose.

In the event of a personal data breach that poses a risk to your rights and freedoms, we will notify you and the Nigeria Data Protection Commission (NDPC) within 72 hours of becoming aware of the breach, as required under the NDPA 2023. Notification to you will be delivered through the App and/or by email to your registered address.

10. International Data Transfers

Your personal data may be transferred to and processed in countries outside the Federal Republic of Nigeria where our cloud service providers or technical partners operate (such as data centers hosted in the European Union, United States, or other regions). Where such transfers occur, we ensure that adequate levels of protection are in place through:

- Contractual clauses and data processing agreements that impose NDPA 2023-equivalent obligations on the recipient.
- Transfers only to jurisdictions that the NDPC has determined provide an adequate level of data protection, where applicable.

By using the App and accepting this Policy, you consent to the transfer of your personal data to countries outside Nigeria where lawfully required to deliver the Services, subject to the safeguards described above.

11. Children's Privacy

The App is not directed to, designed for, or intended for use by individuals under the age of 18. We do not knowingly collect, process, or store personal data from minors. If we become aware that we have inadvertently collected personal data from an individual under 18 years of age, we will take immediate steps to securely delete that data. If you believe we have collected data from a minor, please contact us immediately at support@acecore.tech.

12. Third-Party Links & Integrations

The App may contain links to or integrations with third-party websites, services, or applications (such as payment gateways, mapping services, or cloud analytics platforms). We are not responsible for the privacy practices, content, or data security of those third parties. This Policy applies only to data we collect and process directly. We strongly encourage you to review the privacy policies of any external services you access through or alongside the App.

13. Push Notifications & Communications

With your permission, we may send push notifications to your registered device regarding critical system alerts (e.g., overtemperature, overload, low battery, grid fault), firmware updates, product recall notices, and account security alerts. Some of these notifications (particularly safety and regulatory alerts) are critical to the safe operation of Acecore Powercell hardware and are treated as essential service communications.

You may manage non-essential notification preferences within the App's settings or through your device operating system's notification controls at any time. Disabling safety-critical alerts may affect your ability to receive important hardware warnings and is done at your own risk.

14. Changes to This Privacy Policy

We may update this Privacy Policy periodically to reflect changes in our data practices, technology, legal requirements (including SON standards updates), NDPC guidance, or other operational reasons. Where material changes occur, we will notify you by updating the "Last Updated" date at the top of this Policy, by sending a notification within the App, and (where appropriate) by email to your registered address, at least fourteen (14) days before the changes take effect.

Your continued use of the App after the effective date of any revision constitutes your acceptance of the updated Policy. If you do not agree to the revised Policy, you must discontinue use of the App and may request deletion of your account as described in Section 7.2.

15. Data Protection Officer (DPO) & Contact

Acecore Incorporations has formally designated a Data Protection Officer (DPO) responsible for overseeing our compliance with the NDPA 2023, the NDPR, and this Privacy Policy. To contact our DPO, exercise your data rights, or raise any privacy-related concern:

- Email: support@acecore.tech
- Subject line: "Data Protection Enquiry" or "Data Rights Request"
- Address: Obigbo, Rivers State, Nigeria
- Response time: We aim to respond to all data protection enquiries within 5 business days and to formal rights requests within 30 calendar days.

You also have the right to escalate any unresolved data protection concern to the Nigeria Data Protection Commission (NDPC) at any time: www.ndpc.gov.ng.
